

THE ALUSPECIALISTS' MEETING

ALUMINIUM
TWO THOUSAND

ICEB
International Conference
on Extrusion and Benchmark

9TH ALUMINIUM TWO THOUSAND WORLD CONGRESS 5TH INTERNATIONAL ICEB CONFERENCE

TWO EVENTS IN ONE:

THE STRENGTH OF SYNERGY AND THE POWER OF INNOVATION

FLORENCE - ITALY 12 -16 MAY 2015

Palazzo Affari Downtown
Conferences, Workshops, Exhibition,
Plant Tours, Social Events

Event organized by:

Interall: Via Gino Marinuzzi- 38 - 41122 Modena- Italy
Tel. +39-059-282390 - Fax +39-059-280462

ICEB Organizing Committee at University of Bologna:

Viale Risorgimento 2 - 40136 Bologna- Italy - iceb.din@unibo.it - www.ice-b.net

CONGRESS

Main Subjects:

ALUMINIUM TWO THOUSAND CONFERENCE TOPICS

Markets & Strategies, Alloys Billets & Related Equipment, Rolling Technology, Architecture & Special Uses, Transport & Automotive Industry, Anodizing, Coating, Automation, Measuring, Testing & Quality Techniques, Advanced Applications & Research, Environmental Protection & Recycling, Casting & Die Casting

ICEB & EXTRUSION SESSIONS TOPICS

Process Sustainability, Process Management, Process Monitoring, Plant & Process, Process Simulation, Product Quality, Alloys, Dies, New Processes

Special Focus:

- Market and Strategies and "New Emerging Countries"
- Extrusion Technologies and their analysis by FEM simulation
- Application of nanotechnologies in the aluminum industry
- New Light Alloys
- Advanced Finishing Workshop
- Courses for Extrusion Software
